World class safety in Subic, Philippines

Subic Bay is renowned as one of the safest and cleanest seaside maritime cities in the Philippines. With its pristine beaches, Subic offers a unique array of activities that are unparalleled elsewhere!

Why Subic?

1. Subic is 110 km northwest of Manila and approximately 40 minutes from Clark International Airport.
2. Subic has a large concentration of English call centers and is a region with many high-level English users.
3. As the largest US military base in Asia, most people speak American English.
4. The level of security in Subic is safer than Korea, and it is better than any other city in the world. It is a place where all boys and girls can walk around day and night in peace.
5. Subic is called California of the Orient. It has a beautiful natural landscape, clean streets and air.

EDT academy since 2011

Welcome to EDT International Language Center, a great leader in high quality English education. We have skilled and well-trained instructors who teach English in the most effective way.

Our long-standing know-how about our own English education and education system developed by EDT research team, teaching methods and prepared instructors will help you improve your English language skills.

Communication

We focus on communication based on listening and comprehension that is not only focused on speaking.
All faculty members, including American and English instructors, who were hired in 2011, are currently working full-time and are regularly trained to maintain the best teachers in the area.

Management

With a maximum capacity of 50 students, it is possible to concentrate on individual students.
Unlike large-scale institutes, EDT students can change their class schedule at any time of the week instead of once a week. We provide personalized classes, shuttle service to help students hang out, hospital service assistance and even leisure activities.

Faculty

EDT Language School has garnered a reputation for its experienced and highly-regarded instructors
It is also well-known for attracting a diverse student body from various nationalities and for offering family learning experiences.
